	AC 2-Tier	AC 3-Tier	Sleeper class
2008-09	31	0	187
2009-10	49	0	72
2010-11	31	0	72

(c) and (d) Provision of on board Audio/Video facility for information dissemination and entertainment of passengers has been planned in Executive Chair Cars and Chair Cars of various Shatabdi Express trains as a pilot project.

Model railway stations in Uttar Pradesh

†*37. SHRI KAMAL AKHTAR: Will the Minister of RAILWAYS be pleased to state:

(a) the prescribed criteria for selection of a railway station to be developed as a model railway station;

(b) the details of additional facilities to be provided at model railway stations;

(c) the details of railway stations in the country sanctioned for converting them into the model railway station during the last three years; and

(d) the details of the railway stations proposed to be converted into model railway stations in Uttar Pradesh in the near future?

THE MINISTER OF RAILWAYS (SHRI LALU PRASAD): (a) While presenting the Railway Budget 1999-2000, the then Minister of Railways declared that all efforts will be made to make at least one station in each division as model station where higher level of passenger amenities will be provided. Consequent upon the announcement so made, 61 stations were initially selected as model station. Later on, more model stations were added from time to time. Now as per the announcement made during the presentation of Railway Budget 2006-07, all 'A' and 'B' category stations have been selected as model stations.

(b) Model Stations are to be provided with additional amenities depending upon the category of the station such as retiring room, waiting room, public address system/computer based announcement system, electronic train indicator board, public phone booths, water coolers, standardized signage's etc.

(c) 265 stations have been identified for development as model stations during the last three years *i.e.* 2004-05, 2005-06 and 2006-07 is enclosed as Statement I (*See* below).

†Original notice of the question was received in Hindi.

(d) Out of 82 stations identified as Model Stations in Uttar Pradesh, work has been completed at 22 stations and 60 stations are in the process of being developed as Model Stations in future (List of 60 stations enclosed as Statement II).
